Friday, June 6, 2014 at Ayala Greenfield Golf and Leisure Club, Calamba Laguna**

CIRCLE OF FRIENDS FOUNDATION, INC. (COFFI), was founded in 1998 to provide mobility and dignity to people in wheelchairs. Since 2003, through the generous support of individual and corporate sponsors, COFFI has rolled out four (4) "Wheelmobiles", the first transport service for people in wheelchairs in the Philippines.

COFFI also supports livelihood for people in wheelchairs through professional sewing, woodwork and artwork. Our third project, "Happy Feet" provides non-surgical treatment of in-born club foot deformity.
